

**Department of Computer Science & Engineering  
School of Engineering & Technology**

---

**Ref No:** CSOET/CSE/ACAD/2023-24/87

**Date:** November 25, 2023

**NOTICE**

**B.E (CSE)/ Integrated B.E-M.E (CSE) Batch 2021**

**For Sections: AL to EL**

This is to inform all the students of sections AL to EL about the specializations being offered in the next semester. It is strongly recommended to carefully select a specialization in accordance with your personal interests.

The available specialization tracks are mentioned below:

1. Cloud Computing (CC)
2. Cyber Security (CS)
3. Entrepreneurship Development Program (EDP)
4. Game Design (GD)
5. Full Stack Development (FSD)

Fill out the below given Google form latest by November 28, 2023.

**Link:** <https://forms.gle/KQGLvNgAKMtNsYqR9>

**Note:**

- Seats in every specialization track are limited, so any further changes will not be considered.
- There may be a selection process if higher nominations are received for any particular specialization track.
- The specialization tracks offered will be based on the number of student preferences received.
- If the minimum number of nominations is not received, the specialization may not be offered.
- It is mandatory for every student to fill the given Google form.

Should you have any further queries or concerns, please reach out to the program incharges.
